and Members, Board of County Commissioners

Agenda Item No. 7(P)(1)(N)

From: George M. Burgess
County Manager

Subject: Commission Agenda Item: Resolution Approving a Maintenance Map for a radius return at the northwest corner of the intersection of NW 62 Street and NW 42 Avenue in Section 17-53-41, Miami-Dade County, Florida

RECOMMENDATION

It is recommended that the Board approve the attached resolution approving a Maintenance Map for a radius return at the northwest corner of the intersection of NW 62 Street and NW 42 Avenue.

BACKGROUND

NW 62 Street from Okeechobee Road (S.R. 25) to NW 37 Avenue road has been constructed and maintained continuously by Miami-Dade County for a period over (4) years.

In accordance with Chapter 95.361, Florida Statutes, title to a road constructed and maintained by the County for over 4 years vests in the County and a recorded map is deemed prima facie evidence of that ownership by the County.

It is therefore recommended that the attached Maintenance Map be approved by the Board of County Commissioners, after which it will be recorded in the Public Records of Miami-Dade County, Florida in accordance with Chapter 95.361 of the Florida Statutes. The subject Maintenance Map has been executed by the Chief of the Road, Bridge, Canal Maintenance Division of the Miami-Dade County Public Works Department, stating that the County has maintained this road for more than four (4) years.

Both the original tracing and the Mylar reproducible of the Maintenance Map are to be executed by the Mayor and Deputy Clerk of the Board of County Commissioners and returned to the Public Works Department for recording in the Public Records of Miami-Dade County, Florida.
